

Bill History
Session Year 2013
Proposed H.B. No. 5408

Introducer(s):

Rep. Dan Carter, 2nd Dist.

Title: AN ACT CONCERNING VIRTUAL NET METERING.

Statement of Purpose: To allow the state or any political subdivision that leases a virtual net metering facility or enters into a power purchase agreement with the owner of such facility to qualify for virtual net metering by expanding current law that qualifies only municipal ownership of such facility.
